SMART Cards

Every student is issued with a SMART card. SMART cards are used to record uniform issues, breaches of the mobile phone policy, missing equipment, or lateness to lessons.

If a student receives two entries on their SMART card, they are to serve a 10-minute detention, either at break or lunchtime; when they attend their SMART detention, they will be issued with a new SMART card.

If a student receives a third sanction and they have a full card, or they have not got a smart card with them, the student will be issued with a 25-minute after-school SMART detention for the following day.

Smart Card		
Name.		Form.
Date	Reason	Staff Signature
Issue number		

The SMART card is **ALWAYS** the responsibility of the pupil.
